STEVE'S STATION®

The Steve's Station family of advanced sit/stand furniture keeps you comfortable and productive all day long, all while lifting up to 375 lbs. with a height range of 23"-49" high. Steve's Station for Imaging was developed in partnership with radiologists nationwide to meet their specific ergonomic needs. The table's Monitor Easy Track® moves the entire bank of monitors forward and back 10" to reach your optimal focal depth.

Steve's Station's innovative design and usability earned it NeoCon's 2011 Innovation Award from industry leaders in product design.

PRODUCT SPECIFICATIONS

Shelves: 1" thick medium-density fiberboard shelves are wrapped in a highly durable thermoplastic laminate to resist cracking and stand up to a wide range of chemicals.

Metal: Metal components are 16 gauge steel with a baked-on powder coat finish.

Colors: See Color Choices at the top of the following pages for available colors.

Tested for safety: Steve's Station is ETL-listed to UL standard 60950-1 in US and Canada.

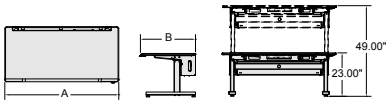
Warranty: Lifetime Warranty against manufacturing defects on the table; two-year warranty on legs and electrical system. Lamps, cords, and plugs are not warranted.

The adjustable Steve's Station allows Cindy to comfortably change positions throughout the day from sitting, to standing. And the additional Companion Table gives her added workspace.

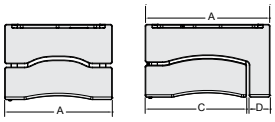
STEVE'S STATION WORKSTATIONS

STEVE'S STATION STANDARD

STEVE'S STATION STANDARD
DUAL SURFACE, 72"W IN WENGE



STEVE'S STATION STANDARD SINGLE SURFACE



STEVE'S STATION STANDARD DUAL SURFACE

- Comes with 1" thick worksurface with thermoplastic laminate finish, two shelf support arms, two electric lift leg assemblies, one electric keypad for vertical height adjustment, two feet with leveling glides, and one power cord. Dual-surface table also comes with a 20" deep keyboard surface, 1 mechanism and paddle for manual keyboard shelf height adjustment.
- Height-adjustable electric lift table moves 23"-49" high with the push of a button.
- Available in single-surface and dual-surface versions. Dual-surface table features front keyboard surface with manual height and tilt adjustment. Adjust height 5.75" below to 7" above the back monitor surface. Keyboard surface tilts 9° forward, for positive tilt, to 15° back, for negative tilt.
- Contoured surfaces feature smooth, curved edges that are ergonomically comfortable against your arms.
- Overall weight and lift capacity of 375 lbs.
- Ships assembled in a single palletized package.
- Available in Grey Metallic metal with Silver Satin accent (GV) and Dark Grey (DG), Maple (MP), or Wenge (WE) laminate.

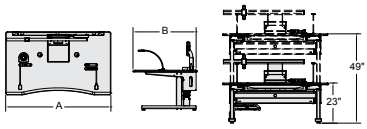
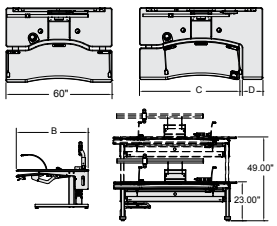
STEVE'S STATION WORKSTATIONS FOR IMAGING

STEVE'S STATION ADVANCED FOR IMAGING

STEVE'S STATION ADVANCED
SINGLE SURFACE, 60"W



STEVE'S STATION ADVANCED
SINGLE SURFACE



STEVE'S STATION ADVANCED
DUAL SURFACE

- Comes with 1" thick worksurface with thermoplastic laminate finish, Monitor Easy Track with 10" depth adjustment, two shelf support arms with safety stop, two electric lift leg assemblies, power strip on worksurface with 3 outlets, two LCD task lights with dimmer control, air circulation fan, cable trough, power strip in cable trough with 12 outlets, two cable management ladders (one on monitor support assembly, one under cable trough), two feet with leveling glides, and one power cord.
- Height-adjustable electric lift table moves 23"–49" high with push of a button. Program up to three heights into the table's memory for quick set-up.
- Available in single-surface and dual-surface versions. Dual-surface table features front keyboard surface with manual height and tilt adjustment. Adjust height 5.75" below to 7" above the back monitor surface. Keyboard surface tilts 9° forward, for positive tilt, to 15° back, for negative tilt.
- Monitor Easy Track moves entire bank of displays forward and back 10" to the perfect focal depth. Install displays at any position left to right and at any height. Fine-tune the vertical, lateral, and yaw position to achieve a seamless array.
- Monitor knuckles sold separately to support a variety of displays and modalities (see Steve's Station Accessories). Choose standard or Xtra-Heavy Duty knuckles. Dual vertical knuckle (for stacking displays) is also available.
- Comes with 33" center boom to support up to 2 displays, even 6 MP. Add Boom Extensions for more width.
- Twin LED task lights (one left, one right) are on flexible 12" gooseneck arms, so you target the light where it's needed. On/off switch and dimmer give you control.
- Safety limit switches stop the table's motion when the worksurface encounters an obstacle.
- Want screens with that? Steve's Station Advanced is available in the STE-series which comes with the fabric-covered acoustic panels used on the Steve's Station Deluxe. The 3-part screen assemblies are 29–1/4" high and consist of a back screen that runs the entire width of the table plus two side screens (19–3/4" deep).
- Air circulation fan keeps air moving around the displays so you stay fresh. Fan housing pivots, so you direct the air as needed, and dimmer lets you control the flow.
- Overall weight and lift capacity of 325 lbs.
- Ships assembled in a single palletized package.
- Available in Grey Metallic metal with Silver Satin accent (GV) and Dark Grey (DG), Maple (MP), or Wenge (WE) laminate.

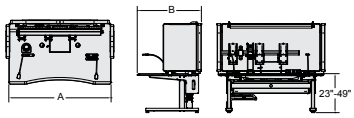
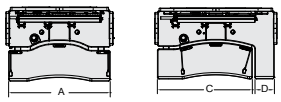
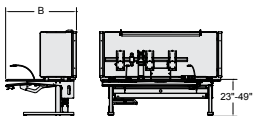
STEVE'S STATION DELUXE FOR IMAGING

STEVE'S STATION DELUXE SINGLE SURFACE, 72"W



STEVE'S STATION DELUXE SINGLE SURFACE





STEVE'S STATION DELUXE DUAL SURFACE

- Comes with 1" thick worksurface with thermoplastic laminate finish, Monitor Easy Track with 10" depth adjustment, fabric-covered privacy screen assembly, 48" long ambient light, two shelf support arms with safety stop, two electric lift leg assemblies, power strip on worksurface with 3 outlets, two LCD task lights with dimmer control, air circulation fan, cable trough, power strip in the cable trough with 11 outlets, two cable management ladders (one on Monitor Easy Track, one under cable trough), two feet with leveling glides, and one power cord.
- Height-adjustable electric lift table moves 23"-49" high with push of a button. Program up to three heights into the table's memory for quick set-up.
- Available in single-surface and dual-surface versions. Dual-surface table features front keyboard surface with manual height and tilt adjustment. Adjust height 5.75" below to 7" above the back monitor surface. Keyboard surface tilts 9° forward, for positive tilt, to 15° back, for negative tilt.
- 29.25" high fabric-covered acoustic panels screens protect sensitive information and block visual distractions. They also reduce noise for clearer dictation.
- A 48" long ambient light shines on the back screen. Adjust light strength to match the image on the display for the appropriate contrast ratio, reducing eye strain. On/off switch and dimmer are easy to access on the worksurface.
- Monitor Easy Track moves entire bank of displays forward and back 10" to the perfect focal depth. Install displays at any position left to right and at any height. Fine-tune the vertical, lateral, and yaw position to achieve a seamless array.
- Monitor knuckles sold separately to support a variety of displays and modalities (see Steve's Station: Accessories). Choose standard or Xtra-Heavy Duty knuckles. Dual vertical knuckle (for stacking displays) is also available.
- Tables come with a 33" center boom to support up to two displays, even 6 MP. Add Monitor Boom Extensions for more width.
- Twin LED task lights (one left, one right) are on flexible 12" gooseneck arms, so you target the light where it's needed. On/off switch and dimmer give you control.
- Safety limit switches stop the table's motion when the worksurface encounters an obstacle.
- Air circulation fan keeps air moving around the displays so you stay fresh. Fan housing pivots, so you direct the air as needed, and dimmer lets you control the flow.
- Like the ambient light but don't need the screens? The STL-series tables come with just the ambient light component. The 48" light assembly is supported by two posts with cable management to route cords to the table's cable enclosure.
- Overall weight and lift capacity of 250 lbs.
- Ships assembled in a single palletized package.
- Available in Grey Metallic metal with Silver Satin accent (GV) and Dark Grey (DG), Maple (MP), or Wenge (WE) laminate.

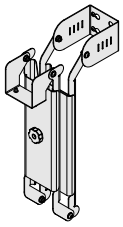
STEVE'S STATION ACCESSORIES

CABLE MANAGEMENT – LOWER CABLE CARRIER



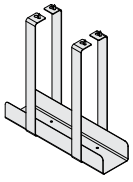
- Protect power and data connections as your Steve's Station table moves up and down with this Lower Cable Carrier. One carrier comes standard on Advanced and Deluxe tables. Use this accessory to add the feature to your Standard table or add a second carrier to your Advanced or Deluxe table.
- Route cords and cables through the trays so you know they are long enough to reach from your equipment to the wall through the table's entire range of motion.
- Articulating carrier takes cables from the bottom of the cable trough to the back of one Steve's Station foot with a single mid-range joint. Removable covers provide access to cables inside the carrier.
- Comes with one articulating assembly, two cable covers, and two knobs.

PRODUCT	Width	Length	Weight	Part #	Price
Lower Cable Carrier	3.25"	33.5"	8 lbs.	STLCSS	$129.95

CPU SIDERACKS

Install your CPU in a SideRack and save space on your Steve's Station! Choose the size and style that fits. Available in Grey Metallic with Silver Satin accent.

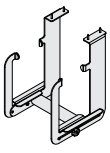
CPU SideRack, Inboard



- Attaches under the worksurface of your Steve's Station table with four screws. Installs left or right.
- Supports CPUs up to 4" wide, 15.5" high. Holds up to 40 lbs.
- Comes in Grey Metallic with Silver Satin accent.

PRODUCT	Width	Depth	Height	Weight	Part #	Price
CPU SideRack, Inboard	4"	16"	15.5"	6 lbs.	STSR1GV	$64.95

CPU SideRack, Outboard



- Attaches to the outside edge of your Steve's Station table with four screws. Installs left or right.
- Slide the arms open to insert your CPU, then tighten down to keep it in place. Measure the width of your CPU and add 3" to determine how far the SideRack will extend from the side of your table.
- Supports CPUs 4.5"-9.75" wide. Holds up to 40 lbs.
- Comes in Grey Metallic.

PRODUCT	Width	Depth	Height	Weight	Part #	Price
CPU SideRack, Outboard	6.25"	11.5"	14.5"	12 lbs.	STSR2GM	$179.95

Prices subject to change.
*Not available for discount.

CPU SideRack, Floor-mount

- This large 3" high platform sits on the floor to hold your CPU, UPS, or other equipment. Straddles either Steve's Station foot (left or right), or set it outside the footprint of the table.
- Metal hoop above the SideRack measures 16.25" above the platform to show the safe height limit of items stored under the table at its lowest position.
- Platform measures 13.25" wide, 22.5" deep. Comes with slots and strap and buckle kit to hold items in place.
- Did you add casters to your Steve's Station table? Add casters to this floor-mount too. Sold separately, part #570CA.
- Holds up to 125 lbs.
- Comes in Grey Metallic with Silver Satin accent.

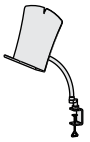
PRODUCT	Width	Depth	Height	Weight	Part #	Price
CPU SideRack, Floor-mount	13.25"	22.5"	19.25"	20 lbs.	STSR3GV	$209.95

3" CASTERS

- Make your Steve's Station mobile with this set of four 3" casters. Also works with the CPU SideRack, Floor-mount.
- Casters make the station 3" higher. When using these casters with the Advanced or Deluxe Steve's Station, update the height adjustment readout with its instruction in the owner's manual.
- Total-lock casters feature polyurethane tires suitable for all floors.

PRODUCT	Weight	Part #	Price
Casters, set of 4	6 lbs.	570CA	$139.95

DOCUMENT STAND



- Comes with steel stand, 10" gooseneck and C-clamp. Attaches onto the edge of any shelf.
- The lip of the steel stand is 2" deep and .5" high to securely hold your documents, a book, or a multi-line phone.
- Available in Black (BK).

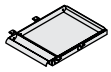
Document Stand	14.25"	2"	11"	4 lbs.	440BK	$139.95

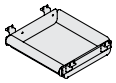
DRAWER SOLUTIONS



Drawer – Pencil 1.75"h

- This metal drawer has a scooped area in front for pencils and pens. Interior measurements are 14.75"w x 20.5"d x 1.75"h.

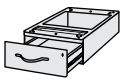
⚠ Works with single-surface Standard tables only.



Drawer – Small 3"

- This 3" high metal drawer features full-extension glides, making it easy to reach everything inside.
- Attaches under the worksurface. Drill required for installation.
- Interior dimensions are 12.75"w x 12.25"d x 3"h
- Available in Silver Satin (SS).

⚠ Works with single-surface tables and Companion Table only.



Drawer – Large 6"h

- Interior measurements are 13.25"w x 16.25"d x 6"h. Comes with drawer divider.
- Available in Grey Metallic.

⚠ Works with single-surface Standard tables only.

Drawer – 6"h and 11"h File

- Lockable metal unit has 2 drawers. One is perfect for office supplies, the other for letter files. The 6"h drawer comes with drawer divider.
- Interior measurements for the 6" drawer are 13.25"w x 16.25"d x 6"h. Interior measurements for the 11" drawer are 13.25"w x 16.25"d x 10"h.
- Holds 50 lbs. overall: 20 lbs. in the 6" drawer and 30 lbs. in the 11" drawer.
- Available in Grey Metallic.

⚠ Works with single-surface Standard tables only.

"We have at least 10 radiologist that use Steve's Station and they couldn't be happier! The features that are most used are — ambient light, table height adjustment, USB port, monitor adjustment, fan and task lights."

—Dr. Deborah Arnold, *Radiologist, Providence Medical Center*

FileAround

- Full-extension glides put everything in easy reach. Two locking casters keep unit in place when drawers are pulled out, and the fifth caster under the file drawer prevents the unit from tipping when drawers are fully extended.
- Holds up to 150 lbs. of distributed weight overall: up to 50 lbs. on top, up to 50 lbs. in the 6" drawer, and up to 75 lbs. in the 11" drawer.
- Available in Grey Metallic with Silver Satin accents.

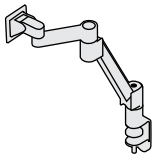
Elliptical Trainer	12"	20"	24 lbs.	MVELLBK	$119.95*

FLAT PANEL MONITOR SOLUTIONS

Lots of choices for your flat panel monitor! Pick the features you need. **Note: all mounting options conform to VESA 75mm and 100mm mounting standards.** If you need a different standard or would like to discuss additional monitor solutions that we have available, give us a call.

Flat Panel Monitor Arm



- These steel arms have a vertical travel range of 16" and rotate 360°. Travel range depends on the size of your monitor.
- Mount with either a C-clamp to the edge of your Bench or drill through a shelf for added security. Clamp opens a maximum of 2" and requires 3.5" of vertical clearance below the shelf.
- The Single Arms extend up to 22" from their mounting point.
- The Single Extra Heavy-duty Arm comes with a 100mm and a 100x200mm VESA plate.
- The Dual-Standard Arm extends up to 27" from its mounting point.
- Ten-year warranty against manufacturing defects.
- The Single-Super and Single-Standard Arms are available in Black (BK) and Silver Metallic (SM). The Single-Light, Single-Extra Heavy-duty, and Dual-Standard Arms are available in Black (BK).

PRODUCT	Supports Monitors Weighing	Weight	Part #	Price
QS Single - Standard	7.5-25 lbs.	20 lbs.	LCDxx	$239*

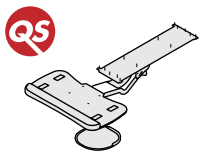
KEYBOARD AND MOUSE SOLUTIONS

Whether you're looking for ergonomics or just convenience, finding the right Keyboard Solution can make a world of difference in your workstation. And we offer lots of choices. Sometimes the differences between the caddies are subtle, so feel free to call us to find the right solution for you.

Keyboard and Mouse Caddy, Style B – Super

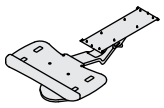


- Caddy moves in and out, up and down from even with your work surface to 6" below, tilts 20° positive and 20° negative, and swivels 360°.
- Swing-out mouse surface pivots out when it's needed and hides away when it's not.
- Made of steel and phenolic with an integrated foam wrist rest.
- Surfaces are neutral granite color.
- Requires 18.5" mounting depth. Drill required for installation.

PRODUCT	Width	Depth	Weight	Part #	Price
Keyboard and Mouse Caddy, Style B	19.5"	8"	7 lbs.	UKMCBK	$239.95

⚠ Works with single-surface Standard tables only.

Keyboard and Mouse Caddy, Style C – Elevate

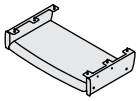


- Caddy moves in and out, up and down from 2" above your work surface to 6" below, tilts 20° positive and 10° negative, and swivels 360°.
- Swing-out mouse surface pivots out when it's needed and hides away when it's not.
- Made of steel and phenolic with an integrated foam wrist rest.
- Surfaces are neutral granite color.
- Requires 18.5" mounting depth. Drill required for installation.

PRODUCT	Width	Weight	Part #	Price
Keyboard and Mouse Caddy, Style C	19.5"	13 lbs.	159BK	$319.95

⚠ Works with single-surface Standard tables only.

Keyboard Drawer

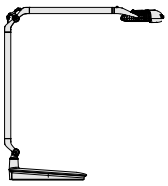


- Wood surface slides in and out on full-extension glides and extends 3.5" below the shelf. The contoured front edge is comfortable against your arms when typing.
- Installs underneath the shelf with 6 screws.
- The metal surfaces are Silver Satin (SS). The laminate is Maple (MP) or Wenge (WE).
- Drill required for installation.

PRODUCT	Width	Depth	Weight	Part #	Price
Keyboard Drawer	26"	11"	15 lbs.	ZKD26SS/WE	$179.95

⚠ Works with single-surface Standard tables only.

LIGHT



TASK LIGHT WITH OPTIONAL LIGHT BASE

- Single LED light source produces a large footprint of neutral white light and casts just one shadow to provide clean, clear illumination.
- LED uses only 6 watts, and heat-dispersing design extends light life with 50,000-hour lifespan.
- Dual-articulating arm has maximum reach of 28" and a working height of 18". Cord is 8' long. Internal counterbalance provides fingertip adjustability.
- Light clamps to the side of your workstation with a C-clamp. Optional weighted base (Part #912SM) is sold separately.

PRODUCT	Weight	Part #	Price
Light	2 lbs.	910SM	$295*
Light Base	5 lbs.	912SM	$69.95

WHO IS STEVE?

Meet Steve Linder, Anthro's Senior Industrial Designer who created the original design language for Steve's Station.

MONITOR EASY TRACK OPTIONS - FOR STEVE'S STATION FOR IMAGING

- Steve's Station Advanced and Deluxe come with Monitor Easy Track®, a monitor management system that slides the entire monitor array forward and back in unison 10" to reach your optimal focal depth.
- Monitor Easy Track also fine tunes each monitor's position vertically, laterally, and side-to-side tilt to place your displays in a seamless array, even different sizes and makes.
- Tables come with a central monitor boom (33" long) and a cable carrier that routes cords and cables. Add Knuckles to install your displays and Monitor Boom Extensions to expand the width of the boom. Knuckles and Extensions are sold separately, or choose a Package of table and monitor hardware to support common modalities.

Monitor Easy Track Boom Extensions

MONITOR EXTENSION, SMALL

- Add Monitor Easy Track Boom Extensions to your table to hold more displays! Advanced and Deluxe tables come with a 33" long center boom. Extend that with Monitor Boom Extensions. Extensions attach to the end of the boom with 1.25"-long articulating bracket. Available in three widths: small (10.5" long, holds 35 lbs.), medium (15", holds 35 lbs.), and large (22", holds 25 lbs.).
- On Deluxe tables, measure the available width between the panels before selecting a Monitor Boom Extension.
- Comes with one Standard knuckle. Additional knuckles sold separately.

PRODUCT	Width	Height	Weight	Part #	Price
Monitor Extension, Small	10.5"	2.5"	13 lbs.	STME1BK	$299.95
Monitor Extension, Medium	15"	2.5"	14 lbs.	STME2BK	$319.95
Monitor Extension, Large	22"	2.5"	15 lbs.	STME3BK	$329.95

Monitor Easy Track Knuckles

MONITOR KNUCKLE

MONITOR VERTICAL EXTENSION

- Choose from the Standard and Super Knuckle based on the weight of your display. Knuckles slide into a monitor track and rest on the monitor block which adjusts in height in 1" increments. The monitor track attaches to the boom or boom extension at any position horizontally. Reposition the track's lateral position easily by loosening a single knob.
- Each knuckle provides tilt and swivel adjustment.
- The Standard knuckle (STKNABK) supports displays up to 35 lbs. and comes with VESA 75mm and 100mm pattern. The knuckle slides into the monitor track with 7" height adjustment in 1" increments. Fine-tune the monitors' height and yaw using a pair of screws.
- For larger displays weighing 25-60 lbs, choose the Super knuckle (STKNBBK). This knuckle also slides into the monitor track with 5" height adjustment in 1" increments and fine-tune adjustment for height and yaw. Comes with a 9" tray to hold transformer brick.
- Need to stack two standard displays for your RIS, dictation, or other system? Add the Monitor Easy Track Vertical Extension (STMVBK). It installs on the center boom or a monitor extension and comes with two standard knuckles. Supports two displays, one above the other, up to 35 lbs total and up to 17" apart, center to center.
- Each knuckle comes with a 15-ft DVI-D cable to route from your display, through the table's cable management system, and to your computer. Routing your power and data cables through the table's cable management system ensures that your equipment stays connected through the table's entire range of motion, without disconnecting or damaging the ports. This cable is capable of transmitting resolution value of 2560x1600 at 60 hz.

PRODUCT	Width	Height	Weight	Part #	Price
Standard Monitor Easy Track Knuckle	5.75"	12"	8 lbs.	STKNABK	$209.95
Super Monitor Easy Track Knuckle	5.75"	12"	9 lbs.	STKNBBK	$319.95
Monitor Monitor Easy Track Vertical Extension	5.75"	21.75"	15 lbs.	STMVBK	$419.95

POWER SOLUTIONS

Plug all of your electrical cords into a single strip to keep them organized and accessible. Choose the mounting option and features that are right for you.
